Ballard County School District

Local/State Board Facilities Hearing Report

AMENDMENT NO. 1

A Local/State public hearing was held at the Ballard County Board of Education on March 4, 2009, at 5:50 pm. The purpose of the public hearing was to propose an amended District Facility Plan developed by the Ballard County Local Facilities Planning Committee. The Local Planning Committee (LPC) voted 17-0 in favor of the amended plan and the Ballard County Board of Education voted 5-0 to approve the amended plan.

There were three (3) individuals in attendance. Kerry Fulcher served as district appointed hearing officer and Edward Adami, superintendent, and Barbara Jones, LFPC member and Ballard County Chamber director were in attendance.

COMMENTS

Mr. Adami called the public hearing to order. Mr. Adami outlined the purpose of the hearing and hearing procedures in accordance with 702 KAR 1:001. It was explained that any person wishing to speak would be given an opportunity and that written statements would be accepted. All considerations will be made available to the Kentucky Board of Education via the hearing officer's report. The hearing officer read the proposed amended District Facility Plan that includes **Ballard County Career and Technical Center, interior finishes, electrical and lighting upgrades in shop areas, security system, window-wall and security entrance, and renovation of Auto Tech Shop into a Allied Health lab. At the pre-school, renovation would include sidewalk replacement, cafeteria window replacement, AC in gymnasium, security cameras and fire alarm systems, new electrical service and distribution panels. The Ballard County Elementary School renovation would include gym roof replacement, HVAC replacement including Mechanical Room/Cooling Tower/Circulating pumps, security cameras, window-wall and security entrance. Provide smart boards to elementary classrooms and replace corridor tile. At the Ballard County Resource and Alternative Education Center, major renovation to include site development, interior finishes and accessories, doors/frames/hardware, window replacement, roof replacement, HVAC replacement, plumbing and electrical replacement, fire suppression and annunciation, security cameras, restroom renovation for ADA accessibility. Ballard County District renovation to include conversion of the Football Field House into an Advanced PE Weight Training Room, provide underground electrical power supply to new lighting, resurface tennis courts, KHSAA compliant track, and reconstruct press box.**

The floor was opened to those who wished to make a statement. No one was present.

RECOMMENDATIONS

It is recommended that the Amended District Facility Plan developed by the LPC and adopted by the Board of Education be approved as the District Facility Plan for the Ballard County School District. A copy of the amended plan is attached.

Respectfully submitted,
